Dear Friends:

At this time of year the children are typically looking forward to the end of the school year and a fun-filled summer. And while they're still looking forward to the end of the school year, we're still maintaining the recommended safety precautions for COVID-19. Your continued support has made it possible for our Education Department to accommodate and continue the children's academics while our Spiritual Life and Recreation Departments provide meaningful activities.

We have continued to see children like Kacey come under our care throughout the pandemic. She came to us a few weeks ago as a result of abuse in her home. Kasey was initially placed in the Emergency Shelter on our Enterprise campus. After an initial evaluation she was placed with other children her age in the cottage for middle-school girls. While she seemed scared and guarded at first, she is doing well now and has begun regular sessions with her therapist. She has also begun to participate more in small group activities, showing particular interest in the Spiritual Life activities.

Your loving gifts make it possible for us to care for the children like Kacey who might not have another option. You make it possible for them to receive the therapy, education, clothing and other necessities for a happy and healthy life. Because of your support, children like Kacey have hope.

We greatly appreciate your recent gift of $100.00. Your generosity is making an impact in the lives of our children.

From our children and staff, thank you for your continued love, support, and prayers.

Sincerely,

Elisabeth Gadd, MNM, CFRE
Chief Development Officer
